

Study Programme: Hungarian (language of instruction: **English**)

Level of education (BA/MA): BA

Valid from (for students admitted in): students admitted in 2017 and after

Components of the Final Examination:

The final exam consists of two parts: the **defense of the Thesis** and a **complex exam based on a fixed list of topics**. The list consists of 12 literary and 12 linguistic topics.

1. Parts of the defense: response to the written evaluation of the thesis and response to the questions put by the committee.
2. At the complex exam, the student gets one topic from literature and one from linguistics.

Grades received at the Final Examination:

1. grade received for the defense of the Thesis
2. grade received for the answers on the two topics at the complex exam (literature and linguistics)

Overall result (final grade) of the Final Examination:

Evaluation of the final exam: average of the grade received for the defense of the Thesis (1.) and the grade received for the answers on the two topics at the complex exam (2.)

Rounding is done towards the complex exam result.

If one of the grades received for the answers on the two topics is a 1 (fail) the whole exam component (2.) must be awarded with a 1 (fail).

Classification of the Diploma:

The result that appears on your degree certificate is the mathematical means of the following 3 grades:

- A.** three times the weighted average score of the grades of all Hungarian introductory and core subjects (MIR and MNY) according to the following formula:
$$\frac{[(\text{grade1 for subject1} \times \text{the number of credits it carries}) + (\text{grade2 for subject2} \times \text{the number of credits it carries}) + \dots + (\text{grade35 for subject35} \times \text{the number of credits it carries})]}{108}$$
(= the number of credits the 35 subjects carry)
- B.** the grade for your degree thesis evaluation once
- C.** the grade for the final examination once

Determining the Diploma grade:

As specified in Section 84. (6), the diploma is classified according to its average down to two decimals:

- **outstanding (5)**, if the average is 4.80–5.00,
- **excellent (5)**, if the average is 4.50–4.79,
- **good (4)**, if the average is 3.50–4.49,
- **satisfactory (3)**, if the average is 2.50–3.49,
- **pass (2)**, if the average is 2.00–2.49.
