

Study Programme: Semiotics (in English)

Level of education (BA/MA): MA

Valid from (for students admitted in): valid for all students

Components of the Final Examination:

The Final Examination consists of two parts, both oral:

- a) the defence of the Thesis
- b) examination on the basis of open questions previously listed from which examination questions are selected

Grades received at the Final Examination:

- a) grade received for the Thesis defence
- b) grade received for the answer given to the open questions selected from the list

Overall result (final grade) of the Final Examination:

Evaluation is given on a five-grade scale, 1 to 5 (five being the top grade). The final result of the Final Examination is the mathematical average of the grades achieved in the two parts (Thesis defence, answer to the open question).

Classification of the Diploma:

The grade of the Diploma is the mathematical average of two grades – the Thesis evaluation grade and the final grade of the Final Examination – rounded to two decimals.

Determining the Diploma grade:

As specified in Section 84. (6), the diploma is classified according to its average down to two decimals:

- **outstanding (5)**, if the average is 4.80–5.00,
- **excellent (5)**, if the average is 4.50–4.79,
- **good (4)**, if the average is 3.50–4.49,
- **satisfactory (3)**, if the average is 2.50–3.49,
- **pass (2)**, if the average is 2.00–2.49.
